

## IOSH Managing Safely Refresher Day

*Accredited by IOSH, the Institution of Occupational Safety & Health*

### 1-day course

**Start:** 0900

**Finish:** 1700

This course provides you with continued support in managing the health and safety issues in your workplace. It will help you to revise the key management responsibilities which you learned about on the IOSH Managing Safely Course and update you on the relevant changes in good practice, legislation and standards.

- Revisit the benefits of managing health and safety
- Revise the risk assessment process
- Review how to choose the best method to control risks
- Revise and update the legal requirements of managers
- Take a fresh look at how to investigate accidents and incidents
- Review and measure performance for continual improvement

Delegates must have completed an IOSH Managing Safely course in the last three years. A certificate will be awarded on successful completion of a written assessment (based on multiple choice questions).

**Accredited by IOSH, the world's leading professional body for health and safety practitioners. Delivered by System Concepts Ltd, an IOSH approved course provider.**
